

## An Invitation to Donate to the FET Scholarship Fund!

Dear FET Friends,

You can make a positive difference in the future of the Environmental field – and favorably impact many lives!

The Federation of Environmental Technologists (FET) continues its tradition of offering multiple Scholarships annually to students pursuing technical, undergraduate or graduate degrees in the environmental field. This includes those studying air, water, safety, and solid/hazardous waste pollution. Scholarships are awarded at our annual Environment Conference each October, and are based on scholastic achievement, volunteer efforts and a demonstrated commitment to the Environmental field. Financial need is also considered.

To provide opportunities for deserving students, **we ask you to consider a gift from you or from your business.** The size of the gift is up to you; when combined with donations from others, it provides a pool of funds to assist a number of students in the environmental field. We also accept matching gifts that may be available from your employer.

Recognition of Scholarship Fund donors is given at the FET Annual Conference and in our newsletter. Your tax deductible contribution is an investment in FET's future as well. There are a number of active members with FET who are past recipients of our Scholarships!

Please make your check payable to: FET– Scholarship Fund and send to: FET Scholarship Fund, W175N11081 Stonewood Dr #203, Germantown WI 53022. For more information, call FET at 262-437-1700.

*Thank you in advance for your investment!*
