

2017 FET STUDENT POSTER PROGRAM APPLICATION

**Federation of Environmental Technologists, Inc
Annual Conference & Exhibition, Country Springs Hotel, Pewaukee WI**

Application Deadline: **September 11, 2017**

Poster Presentation Date: **Thursday, October 26, 2017**

THE FEDERATION OF ENVIRONMENTAL TECHNOLOGISTS, INC. is a professional organization dedicated to educating and developing excellence in environmental professionals through education and networking. We are committed to providing outreach and participation opportunities for students studying in the environmental field. **FET is offering a Poster Program for students studying in an environmental field related to the management and prevention of air, water, and solid/hazardous waste pollution, and/or environmental health and safety to present at our Annual educational conference.** POSTER PROGRAMS are a visual and concise method of presenting one's work. Done effectively, posters can provide students with feedback from environmental professionals. As attendees view the presentations, students will have the opportunity to engage in a detailed discussion of the research, methodology and findings.

POSTER SESSION TIME: **Thursday, October 26th from 9:00 AM through 1:30 PM** at a designated space in the Exhibit area. The author(s) should be at the designated table to discuss posters during this time. FET will provide a draped table that is 6' long by 18" wide; poster materials must fit on the table. Selected Poster presenters will be given free admission to the FET 2017 Annual Conference & Exhibition on October 26th, including lunch. Those selected to present posters will be notified by late September.

***Each poster can have more than one author but must choose one person as the contact listed below.** *The contact person will receive all communication from FET, including the notification of acceptance and free admission to the Conference.*

New for 2017: Cash Prizes Awarded for Selected Student Posters

2017 Student Poster submissions will be reviewed by the FET Scholarship Committee in advance, and Finalists will be notified by late September. **To be eligible for monetary prizes, finalists must personally present their paper at the Conference on Thursday, October 26th.** Prizes will be awarded based on topic relevance, communicating information, and the thoroughness of the presentation.
